## Our Guarantee

Atlantic Driver Staffing offers executive recruitment in the areas of transportation, management, safety, logistics, and warehousing. We offer free consultation to determine the true needs of your company, to obtain an accurate job description, and most importantly to learn about the personality and "culture" of your company.

Whether your needs are for:

- Warehouse managers
- Directors of transportation
- General Managers

All of our executive recruitment candidates will carry an unconditional 60 day guarantee. This means that if for any reason you are not satisfied with the employee or if they end their employment, we will replace them without any additional costs.

All searches are strictly confidential and your company will be protected from unwanted calls from unqualified candidates.

## Specializing in Foodservice & Retail Delivery

We offer the following options:

- ⊕ Casual services for drivers needed up to thirty day - not "day here, day there" drivers
- ⊕ 8 week temp to perm hires
- ⊕ Long-term lease - flexible terms with benefits for drivers & other transportation employees, including warehouse personnel
- ⊕ Direct permanent hires - with a thirty day guarantee for the new employee

## Specializing in Foodservice & Retail Delivery

---

We only specialize in quality transportation professionals. The Atlantic Driver Staffing staff has over twenty years in recruitment and personnel management experience from which you can draw from twenty-four hours a day. Should you require more specific solutions for driver-related needs or other transportation management expertise, we will custom fit a solution to your needs in a timely, cost effective manner.

### Our business philosophy is:

- ***Bottom Line: whatever it takes!***
- ***We will act as a “partner” not just another vendor.***

After twenty years in this industry, we believe that the goal of any continuously successful company is to maintain their client base, and to provide each client with a SERVICE THAT EXCEEDS EXPECTATIONS because of the superior quality of the services and the median level prices when compared to industry standards. The words faster, better, and competitively priced describe what we dedicate to our daily activities.

## Driver Staffing

We have quality drivers because we continually recruit and screen only the best!!

We screen our clients so our drivers work for superior companies - those who respect and treat our drivers as professionals.

We offer the following options:

- ⊕ Casual services for drivers needed up to thirty day - not “day here, day there” drivers
- ⊕ 8 week temp to perm hires
- ⊕ Long-term lease - flexible terms with benefits for drivers & other transportation employees, including warehouse personnel
- ⊕ Direct permanent hires - with a thirty day guarantee for the new employee

Each of these programs will offer a solution to your transportation needs.
